

Fellowship Listings

Specialty: Geriatrics/Alzheimer's disease

Preceptor: Milap C. Nahata, MS, PharmD

Term: July 1, 2008 to June 30, 2010

This two year fellowship in geriatrics is intended to develop independent and collaborative research skills in areas including efficacy, safety and outcomes studies, and pharmacodynamics. The OSU outpatient neurology clinic with an emphasis in Alzheimer's disease will be the primary site. Long term care facilities are also available. The fellow will participate in didactic and experiential teaching. Opportunities to enroll in the courses and a funded NIH research curriculum are available.

Stipend: \$33,000 per year

Specialty: Pediatric/Infectious disease

Preceptor: Milap C. Nahata, MS, PharmD

Term: July 1, 2008 to June 30, 2010

This two-year fellowship program in pediatric/infectious disease pharmacotherapy is offered jointly by the Ohio State University College of Pharmacy and the Department of Pediatrics at Children's Hospital. Strong emphasis is given to the development of independent research skills in areas including medication efficacy, safety, health outcomes, pharmacokinetics, and stability of drugs. Fellows are also exposed to in-vitro research. Fellows gain experience in designing and conducting studies, writing research proposals, analyzing data, writing abstracts for presentation, and articles for publication. Fellows participate in teaching Pharm.D. students and offer consultative clinical practice in various subspecialties. Courses in pharmaceutical/healthcare outcomes, health services research, medical microbiology, clinical pharmacokinetics, research methodology and biostatistics are also available.
