**Pharmacists:** State of Ohio Continuing Education credits will be provided to qualifying pharmacists through The Ohio State University College of Pharmacy, a provider of continuing pharmacy education. Pharmacist participants must attend the entire program and complete a program evaluation to receive Continuing Education credit. OH CE Statements of Participation will be provided to successful participants at the completion of the program. Questions about pharmacists' participation in the program and continuing education credit should be addressed to: Barbara Hegler, [hegler.2@osu.edu](mailto:hegler.2@osu.edu); 614 688 3643.
